

Jubilee REACH Grocery Project

There are two ways to donate to the Groceries for Families program – Weekly grocery or stocking pantry at Jubilee REACH. Another way to help if you like being hands on, is to volunteer onsite Wednesday mornings. Please select the opportunities that work for you.

Please drop off on the morning you selected, it is open Mon-Fri morning, **7am -12pm** at the Jubilee REACH Center: **14200 SE 13th Place, Bellevue, 98007**. If donating online, please instruct to deliver to the back door by parking lot and address it to “**Jubilee REACH-BP**” with the street address above on the order. Thank you for your support and continued prayers. Email questions to Elizabeth Hayford ehayford@belpres.org.

Weekly Groceries Delivery

650+ Families now receive groceries. Jubilee REACH works in partnership with schools and organizations to fill gaps from lost jobs, school closures, and medical challenges.

BelPres has committed 50+ bags of groceries daily on Tue/Wed/Thu to support this project until June 2021. The project is sustainable, affordable, and simple for everyone involved. Please drop off in a paper bag labeled “**BP**” on the day you signed up for weekly. Sign up [HERE](#).
